COMMUNITY PROJECTS--South Kanara--Animal Husbandry--Construction of Veterinary Dispensary Buildings--Financial Provision--Enhancement--Requested.

In the G.O. cited, financial provision has been made for construction of Veterinary Dispensary Buildings, bull sheds, poultry houses etc. It is not known whether contribution from villagers or Panchayats of at least 25% of the estimated cost is necessary for these structures. While the amounts provided for these-building breeding units (bull sheds) and poult houses are sufficient to meet the entire expenses, the sum of Rs.3,000/- provided for the dispensary building is found quite inadequate. The District Veterinary Officer,South Kanara, when personally consulted says that the present estimated cost of a veterinary dispensary building is nearly Rs.7,000/-. The Asst Engineer (C.P.) has prepared estimates costing Rs. 6000/— for each building. As the Veterinary Dispensaries are located at Block Centres where large amounts of contributions have already been made by the public and the Panchayats for construction of hospital buildings, Community Halls etc, it is impossible to expect further contribution either from the villagers or from the concerned Panchayats for the Veterinary Dispensary buildings. This point was considered fully at the Project Executive Committee and Project Advisory Committee meetings held in April last and a provision of Rs.6,000/- was made for each dispensary building in the revised overall programme which was submitted to the Director's office in duplicate on 19-5-1954 when I had been to Madras for the Conference.

I therefore request the favour of early orders on the points raised above.

Ref: 1.G.O.Ms.No.1714 & G.O.Ms.No.1715 (Agri.Dept.) dated 22-5-1954.
2.My report Ref.C.No.2278/54-C dated 17-6-1954.

In my report cited second above, I had requested that the provisions for Rs.6000/- for each of the 3 Veterinary dispensaries, made in the revised overall programme submitted to the Government with my report Ref.C.No.992/54-B dated 17-5-54. may kindly be approved as a sum of Rs.3000/- sanctioned for each of the dispensary buildings as per the G.O. cited is quite inadequate for the purpose. I have since received the estimates for the buildings from the Asst. Engineer (C.P.) according to which the cost of Veterinary dispensary buildings at Hebri and Bajpe is estimated at Rs.6000/- and Rs.5000/- respectively. A copy of the plan submitted by the Asst. Engineer together with ~~a copy~~ his report No.520-E dated 30-6-1954 are enclosed for kind perusal. As the Veterinary dispensary at Moodabidri is proposed to be put up in the existing old building after effecting necessary improvements, the estimated cost of the repairs comes to Rs.3,500/-

In this connection I submit that no contribution from the public or from any institutions can be expected for either forthe construction of Veterinary Dispensary, bull shed or for the poultry farms as villagers have already made large scale contributions for community halls etc. at these centres. The entire cost of buildings, bull sheds, poultry houses etc. has to be met from the Community Projects funds.

nererore, request that orders may kindly be passed revising the sanction already accorded for the construction of the veterinary dispensary buildings at Bajpe Hebri and Moodabidri in the G.O. cited first above.

s regards the Poultry units sanctioned in G.O. No.1714 Agri. dated 22-5-1954, revised proposals have been separately submitted on the lines indicated by the Director of Animal Husbandry, in reply to Govern ent Memorandum No. 75256 D.V/54-1, dated 23-6-1954. Orders thereon may be pas separately

Sub:- CPS- South Kanara Project Area Development of Animal Husbandry Provision of funds for construn of veterinary dispensaries.

p1 cf — Ref:- From the P.E.O. Mangalore, dt 15.6.54
From the P.E.O Mangalore, Ref Cr. 2278 /54-C dt 10.7.54.

p4 3-4 cf

R. 21 cf in hf II.

Ur G.O. Ms No. 1714 Agri dt 22.5.54 a sum of Rs 6200/- was sanctioned in each of the three blocks for setting up three poultry demonstration units ~~in the South Kanara Project Area~~ and in G.O. Ms No. 1715 dt 22.5.54 a sum of Rs 71,396 was sanctioned for the development of Animal Husbandry in the South Kanara Project Area. Ur the latter G.O. provision has been made to the extent of Rs 3000/- for buildings to house Veterinary dispensaries in each of the blocks

Usually contributions from beneficiaries are insisted upon in the case of Schemes of demonstration type, but it is understood that in the case of Primary Health centres, contributions have been made towards the construction of buildings. The contents of the P.E.O. Mangalore cmp. cf, Tech-

the public have already contributed their mites and that it is not possible to expect any further contribution from them does not seem to be correct.

The P.E.O. in his letter at page 3 of, requests that the provision for Rs 6000/- for each of the three veterinary dispensaries made in the revised work programme may be approved as the sum of Rs 3000/- sanctioned for building in each of the blocks is inadequate. The following are the financial implications

	Amount sanctioned	Revised estimate.	Excess amount required
Building for Helri.	Rs. 3000/-	Rs 6000/-	Rs 3000/-
Bajpe	Rs 3000/-	Rs 5000/-	Rs 2000/-
Mudabidri	Rs 3000/-	Rs 3500/-	Rs 500
			Rs 5500

The net amount required to be sanctioned is Rs 5500/-.

In the P.F. the P.E.O. Mangalore has been asked to report whether he requires any further items to be sanctioned in addition to those already sanctioned. Pending final orders in that file, the works amounts asked for by the P.E.O. Mangalore may be sanctioned as sanctioned has been recorded to the extent of Rs 5000/- for building in the case of three dispensaries in the Block. The extra expenditure in the above connection can be met from the balance of provision...
